Notice concerning Revision of the Dividend Forecast for the Fiscal Year ending March 31, 2010

NEC Mobiling (the Company) resolved at a meeting of the Board of Directors held on March 15, 2010 to revise its dividend forecast for the fiscal year ending March 31, 2010 as follows.

1. Reason for revision

The Company's policy with respect to dividends is to maintain stable payouts, while considering a payout ratio of around 30%. This reflects its commitment not only to ensuring ample retained earnings to strengthen its base of operations and expand its business, but also to according respect and importance to shareholders as a major management priority.

In accordance with the policy and considering the progress of financial results for fiscal year ending March 31, 2010, the Company revised 10 yen increase of year-end dividend per share to 50 yen. After the revision, the annual dividend forecast is 85 yen per share including 35 yen of actual payment for second quarter and is 25 yen increase from the actual annual dividend payment for the fiscal year ended March 31, 2009.

2. Details of the revision
